FROM THE MAYOR

Pickerington is already a beautiful place to live, but there's just something special about the fall. The kids are back in schools, the air is crisp and the leaves are at their most vibrant. It's the perfect time to get out and explore a walking trail or bike path or maybe even try a new class or program. The new season also brings some of our most popular City events, including Haunted Village, Tots Trick or Treat and the annual Enchanted Princess Party. Plans are also underway for the Holiday Gathering and Tree Lighting so be sure to mark your calendar for those dates. There's always something to celebrate in Pickerington and I hope you and your family can get out and make special memories over these next few months.

Frequently Asked Questions

- 1. I would prefer not to register online, can I register over the phone?**
- A: We cannot take registrations over the phone. If you prefer not to register online, you can send in a Registration Form and return to 100 Lockville Road.
- 2. I have an online account with Pickerington for taxes or utilities. Do I use the same login to register for programs?**
- A: Our systems are separate. You will need to create a new account through the Parks and Recreation online registration website.
- 3. I have a Pickerington address (or my child goes to Pickerington schools), but my street is not listed on the City of Pickerington Street Listing. Do I still receive Resident pricing?**
- A: If your street is not listed, your address falls outside of Pickerington City limits even though you have a Pickerington mailing address. Many addresses with Pickerington mailing addresses are in Violet Township but are outside Pickerington City limits and not subject to Pickerington City income tax (Pickerington Local School District school district taxes are separate).
- 4. My street is listed on the City of Pickerington Street Listing, but I cannot select "Resident" when trying to register. How do I ensure I am charged the City Resident Discount Fee?**
- A: Your account has not been setup as a Resident. Please call 614-833-2211 to have your account updated. The system will not allow you to select the appropriate fee on your own; it must be updated by the Parks and Recreation Department staff.
- 5. My account has been setup as a Resident previously, but the system is still showing Non-Resident pricing. Why?**
- A: This is most likely because you have added a new family member after your account was updated or created a duplicate account. Our system will default as a Non-Resident every time a new account is created - even if the main member has already been updated to Resident pricing. Please call 614-833-2211 to have your new family member's residency updated. There is also a chance you have created a duplicate account. If you created a new household account using a different/new email address, the system will not link to your previous account. Please call 614-833-2211 to troubleshoot your account.

City Resident Discount Fee

In order to receive the City Resident Discount Fee, you must live within the City limits of Pickerington. A complete Street Listing is available on the website. A household includes one set of parents or legal guardians and their children (26 years and under) residing in the same household. If more than one family resides in the household, each family must setup their own household. Babysitters, grandparents and extended family members are not included in the same household. Even though you have a Pickerington mailing address, or live within the Pickerington Local School District, you may not live within City Limits.

- When a refund request is completed and approved by the Parks and Recreation Department.
- No refund will be given for activities under \$15.

The Parks and Recreation Department reserves the right to cancel activities based on low enrollment. Decisions to offer activities are based upon pre-registration numbers and made 48-72 hours in advance of the start date. Register early to help avoid a cancelled or closed out activity. If an activity is cancelled or closed, you will receive a full refund in the form of a check; no cash or credit card refunds. Refunds take about 3 weeks to process.

Refund Policy

Refunds will be made only before the start of the activity, pool season or facility reservation for one of the following circumstances and a \$15 processing fee will apply:

- When the activity or pool season pass refund is requested at least seven (7) days in advance (except where otherwise noted) of the first activity meeting, provided it does not reduce the participation level below the required minimum.

- When a refund request is completed and approved by the Parks and Recreation Department.
- No refund will be given for activities under \$15.
