Please submit the following with this application:

1. 25 copies (10 copies at 24x36 and 15 copies at 11x17) of the Preliminary Development Plans. The Development Standards Text can be 8 ½ x 11. Plans must be folded to 8½ x 11; rolled plans will not be accepted. The Preliminary Development Plan application shall include the following:
 - **Development Standards Text:** Shall be submitted as part of the Preliminary Plan and shall, through a narrative and graphics, as necessary, detail the development standards to be applied to the development concept described in the Preliminary Plan. The Development Standards Text should clearly identify any standard that is less than the standards established by this Chapter. These modifications shall be justified by fully stating what adjustments, amenities or other compensations are provided as part of the Preliminary Plan to offset the use of reduced standards and by demonstrating how the modified standards will result in the best possible development for the site. Unless specifically modified by the Development Standards Text, the standards established by this Chapter shall apply to the proposed development.
 - **Topographic map:** A topographic map drawn to an appropriate scale showing existing natural features including wooded areas and major trees. Identifying changes to the existing site grading and noting major trees that will be removed as part of the proposed development.
 - **A schematic plan (Site Plan):** The schematic plan shall show the general development of the tract, location of existing and proposed structures, parking lot layout, and other development features including the location of all out parcels.
 - **Engineering feasibility statement:** The feasibility statement shall indicate how the proposed development will be serviced with water, sanitary sewer and storm drainage facilities.
 - **Traffic circulation pattern:** The traffic pattern shall show public and private streets and other transportation facilities, including major pedestrian routes, with evidence through a traffic study that the proposed development will not adversely impact existing transportation facilities.
 - **Landscape Plan:** The applicant shall submit a conceptual landscaping plan that shows the ability of the proposed development to meet all aspects of the Zoning Code.

(Continued on next page)

- **Lighting Plan:** The applicant shall submit a conceptual lighting plan that shows the ability of the proposed development to meet all aspects of the Zoning Code.
 - **Signs:** The applicant shall submit a conceptual signage plan that shows the ability of the proposed development to meet all aspect of the Zoning Code.
 - **Development Phase:** The applicant shall provide proposed schedule or phasing of the development of the site.
 - **Land Ownership:** The applicant shall provide evidence showing sufficient control over the land to accomplish proposed and required land improvements.
2. PDP fee and public notice fee payable to the City of Pickerington. (Refer to 2020 General Fee Schedule)

Important things to remember:

- **Plans must be folded to 8½ x 11; rolled plans will not be accepted.**
 - The signature of both the applicant and the owner must be present if the applicant does not own the property.
 - Impact fees will be required for all new planned unit development or the expansion of existing planned unit development in accordance with city code.
 - By signing this document you agree to the submittal requirements of the Certificate of Appropriateness for which you are applying.
