7. **At the end of the growing season, gardeners are responsible for clearing their plot of all plant material, fences, stakes, weed control fabric, non-vegetative matter and debris by October 31.**
8. Due to the open nature of the garden, the City of Pickerington is not responsible or liable for loss of supplies, tools or equipment. It is recommended that you do not leave your belongings in the garden.
9. If you witness or experience garden theft or vandalism, please notify the Parks and Recreation Department by calling 614-833-2211 and contact the Police Department by calling 614-575-6911.
10. If a plot goes unattended with produce still salvageable, the Pickerington Local Food Pantry will harvest the crop for local families in need.
11. **If using the water tank, please be courteous of others who want to use it as well. Gardeners may only use water while they are on-site. Hoses are not permitted to be hooked up to the tank and ran to the garden plot for watering. Water tank may not be available throughout the growing season.**

We highly encourage all gardeners to participate in Plant a Row for Hungry and dedicate a portion of their crop to our local Food Pantry. Please work to maintain the Community Garden as a happy, secure and enjoyable place where all participants can garden and socialize peacefully in a neighborly manner.
